IMPACT REPORT

Investing in the future of our children

A message from the Foundation Board

At Timber Ridge Elementary, the strength of our community is reflected in the generosity and commitment of our families. This impact report is a celebration of what we have accomplished together—through your support, involvement, and belief in enriching every child's educational experience.

Over the past year, your donations have made a meaningful difference in the classrooms and beyond. This report highlights the tangible impact of your generosity and the lasting difference it makes in your student's life and the community in which we live.

Thank you to our donors, volunteers, and community partners!

A message from Dr. McGill

Timber Ridge is fortunate to have a Foundation that consistently invests in the success, growth, and well-being of every student. This year, their support has made an extraordinary difference across our campus.

One of the most visible improvements is the resurfacing of our track. This project not only enhances the safety and quality of our playground area but also strengthens opportunities for physical education. It's an upgrade that will benefit students for years to come.

The Foundation has also expanded access to educational materials that enrich classroom learning. From hands-on manipulatives to digital resources, these tools help our teachers deepen instruction and give students new ways to explore, question, and create. Their commitment ensures that our classrooms remain engaging spaces where curiosity thrives.

In addition, the Foundation's support of school club programs has opened doors for students to discover their passions beyond the traditional curriculum. Whether through athletics, music and the arts, STEM initiatives, and academic programs, our students now have more opportunities to connect, lead, and grow.

We are deeply grateful for the Foundation's dedication to our school community. Their partnership strengthens every corner of our campus and helps us provide the well-rounded, high-quality educational experience our students deserve.

Together, we are building a stronger future for all.

Dr. Shannon McGill

FUNDS RAISED

FUND RAISING HIGHLIGHTS

Run with the Pack Annual Fundraiser

\$58K raised - direct donations from families. Annual, school-wide fundraising event where EVERY student participates!

Clubs

\$22K raised - 10 clubs
Enrichment opportunities after school like Spanish, Soccer, Art, and more!

Community Sponsorships

\$13,800 raised
Supported by incredible sponsors!

FINANCIAL IMPACT

WHAT DID WE RAISE?

FUNDRAISING HIGHLIGHTS

RUN WITH THE PACK

\$57,830

Raised

The Foundation's premier fundraiser is Run with the Pack – an in-school, action-packed fun run where every child participates! During the two weeks leading up to the event, each child fundraises as part of class vs. class competition. Classes earned rewards along the way and bonded with daily affirmations.

FUNDRAISING HIGHLIGHTS

CLUBS & ART SHOW

\$1,470

Art Show
Raised

\$21,800

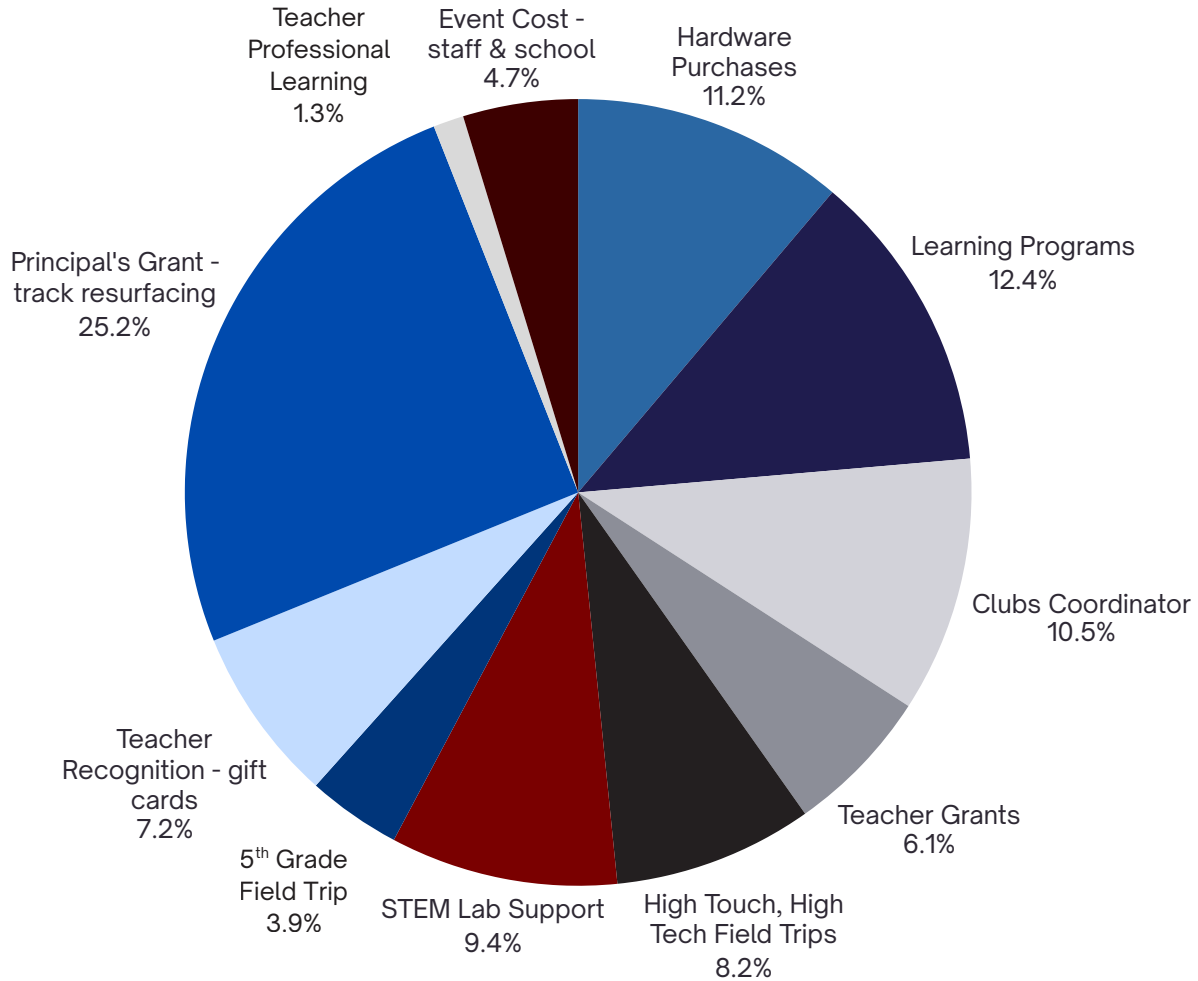

Clubs Raised

CLUBS – Your child's participation in after school clubs' funds dollars back into the Foundation as clubs give a portion of the class fees back to us! The Foundation is thrilled to give so many enriching opportunities to the students!

ART SHOW – This spring the Foundation hosted the Art Show with a lot of help from Mrs. Woodard. The kids worked so hard on their pieces and parents were able to purchase and support the Foundation!

\$111,910 FUNDS INVESTED

FUND RAISING HIGHLIGHTS

Classroom Supplies

\$8,355

Every teacher receives funds for supplies at the beginning of the year!

Learning Programs

\$14,400

Lexia Core5, Blooket, and more literacy & math programs used daily by your student

High Touch, High Tech Field Trips

\$9,558

Hands on science experiments for every student and aligned with grade level standard

FOUNDATION INVESTMENTS

HOW DID WE SPEND?

FOUNDATION FUNDS INVESTED TRACK RESURFACING

\$29,200

Invested

The Foundation's largest grant of the school year was the MAJOR campus improvement project – resurfacing the school's athletic track!

THIS INVESTMENT REPRESENTS OUR COMMITMENT TO CREATING SAFE, MODERN, AND INSPIRING PLACES WHERE ALL STUDENTS CAN LEARN, COMPETE, AND THRIVE.

For years, the track has been home to countless PE classes, Marathon Club runs, Field Days, and more. Now, thanks to the generosity of our donors and the dedication of our school community, we gave this essential facility the upgrade it deserves!

FOUNDATION FUNDS INVESTED TRACK RESURFACING

MUSIC, ART & PE BUDGETS

The Foundation supplements the Specials budgets with \$3,000 in extra funds. The teachers use these funds to buy supplies that enhance your child's learning!

"The support of our school foundation was greatly appreciated this year. I was able to provide all students with rewards based on their jump roping skills and success during our January Jump Rope Ninja unit, and that encouraged kids to go beyond their potential as well as improve their confidence in skill work"

- Coach Sherwood

LEARNING PROGRAMS - LEXIA CORE 5

The Foundations largest software investment is Lexia Core 5. It helps build foundational literacy skills and is used across every grade on a daily/weekly basis!

Congrats to our wonderful school for being awarded the Gateway Achievement and Outstanding Achievement awards – what an amazing accomplishment!

timber ridge foundation

BOARD

In 2005, a group of parents gathered to discuss County and State budget cuts in education and their impact on Timber Ridge. The group suggested forming a foundation to offer Timber Ridge parents and the local community ways to contribute to enhance the curriculum and address the educational needs of the school. The suggestion was met with overwhelming support by parents, teachers, and school staff. Soon after, the Timber Ridge Foundation (TRF) was formed as a 501(c)(3) non-profit organization.

Thank you to our 2025-2026 Foundation Board for all their contributions and efforts!
